Land use Soil Survey and Research Institutions

*480. SHRI G. PRATHAPA REDDY:
DR. SHRIKANT
RAMCHANDRA JICHKAR:

Will the Minister of AGRICULTURE be pleased to state:

(a) what are the names of the Land use soil survey and Research Institutions of the Central Government and where they are located;

(b) what was the amount of budgetary grants given to these institutions during 1993-94; and

(c) whether Government have evaluated the working of these institutes; and if so, what are the findings thereof?

THE MINISTER OF AGRICULTURE (SHRI BALRAM JAKHAR): (a) All India Soil & Land Use Survey (AIS&LUS) and National Bureau of Soil Survey & Land Use Planning (NBSS&LUP) are the two Central Government Institutions for Land Use Soil Survey and Research. AIS&LUS has its Headquarter at New Delhi and NBSS&LUP at Nagpur.

(b) The budgetary grants provided during the year 1993-94 to these Institutions are Rs. 540 lakh for AIS & LUS and Rs. 454 lakh for NBSS & LUP.

(c) Yes, Sir. The evaluation of work of these institutions is done by the Government on a regular basis and is conducted by the concerned Departments. As regards AIS&LUS, the maps and soil data of the catchment areas of River Valleys surveyed by them have been found to be very useful and is critical input for project preparation and implementation. In case of NBSS & LUP, work done by them to prepare soil resource maps on the basis of survey and research has been found to be commendable.

Foreign manufacturers registered for import of pesticides

4221. SHRI G.Y. KRISHNAN: Will the Minister of AGRICULTURE be pleased to state:

(a) what are the names and addresses of foreign manufacturer suppliers of technical grade and formulation insecticides whose products have been approved and registered for import by the Registration Committee of the Insecticides Act, 1968;
